Fingertip plaster

Knuckle plaster

9 Reasons to buy Steroplast's excellent plasters.

- 1. Superior adhesive:** Steroplast plasters stay on longer as a result of a **high-tac medical grade adhesive**. Proven through scientific testing, and data support.
- 2. Lot number:** printed on the individual wrapper. This is essential for traceability, and is a **legal requirement**.
- 3. Expiry date:** printed on the individual plaster. All plasters must have expiry dates printed on the reverse side of the wrapper by law!
- 4. Shelf life 5 years:** for Steroplast's sterile plasters
- 5. Sterility:** guaranteed for 5 years
- 6. CE marked:** A 100% guarantee that our products exceed the Medicines & Healthcare Regulatory Agency (M.H.R.A.) guidelines, and comply with E.U. standards.
- 7. Bar coded:** all cartons are individually bar coded.
- 8. Colour coded boxes:** Easy identification of box contents.
- 9. Translations:** into 5 languages
