

Sterotape - Premium

An unrivalled rigid sports tape

Simple to apply and stays on during the most competitive of sports.

- The ultra strong adhesive formulation ensures Sterotape Premium stays in place during the most competitive of sports
- The specialist rayon material is completely rigid, which ensures total support
- Sterotape premium is manufactured using state of the art equipment which applies the perfect medical grade adhesive coating throughout the entire roll, for seamless application

Sterotape - Premium

Easily identified by the printed core.

Ultra strong adhesive

Ensures the tape stays in place during the most rigorous sporting activity.

Ease of unwind

The tape unwinds with ease right down to the core, saving time and money, while providing the correct amount of pressure during application.

Breathable adhesive

The specialist adhesive coating allows the skin to breathe, making it more comfortable for the user.

Completely rigid

Providing superb rigidity and strength.

Serrated edge, no scissors required

With a serrated edge the tape tears easily and neatly across the width, and equally easily down its length by hand. Perfect when you're short of time.
