

Sterotape-Z.O.

Zinc Oxide Tape

Sterotape-Z.O. is a rigid adhesive tape used to strap up joints to prevent sporting injuries.

- The ideal product for use for martial arts, tennis, rock climbing, rugby, cricket, hockey or any other high impact sports
- This robust tape is great for application for longer term treatment of injuries

Now with a serrated edge

Making it easier to tear into strips.

Non-stretch zinc oxide strapping

Provides rigid support even under extreme stress.

Excellent adhesion

Guaranteed directional support and immobilisation.

Ultra strong

Easy to apply and extremely comfortable.

Tears easily by hand along length and width

No scissors required.
