Burnshield

"Fast effective treatment for burns, scalds and sunburn"
Burnshield provides fast effective treatment for burns, scalds and sunburn.

A one-step (remove from pack, and apply) burn treatment to reduce trauma and help prevent infection.

Burns must be treated immediately!
A unique versatile foam dressing that’s quick to apply - providing essential immediate treatment, relief and protection.

Remember, a burn keeps on burning until it’s cooled.
Burnshield starts cooling the burn instantly. If a burn is left untreated it can lead to long term skin damage.

Burnshield provides fast effective treatment for burns, scalds and sunburn.

The Emergency Services have used Burnshield for over 20 years, giving you peace of mind that Burnshield really is the perfect product to treat skin burns effectively.

Suitable to treat 1st, 2nd or 3rd degree burns.

Steroburn Burn Bag
A Steroburn Burn Bag is a highly effective way to protect a hand or foot from infection prior to treatment.

The Burn bag provides a sterile environment for a burnt hand or foot. It comes with its own adhesive cuff which seals around the wrist or ankle.

The cuff is simple to use and can be applied by the casualty themselves.
