

Sterotape - Premium

An unrivalled premium strapping tape that outperforms the competition

Our customers say this is the best tape they have ever used

Ultra strong adhesive

An ultra strong adhesive ensures the tape stays in place during the most rigorous of sporting activities.

Breathable adhesive

The specialist adhesive coating allows the skin to breath, making it much more comfortable for the user.

No scissors required

The tapes serrated edge tears easily and neatly across the width, and equally easily down its length. Perfect for speedy applications.

Ease of unwind

The tape unwinds with ease, right down to the core. Saving time and providing the correct amount of pressure during application.

Completely rigid

Providing superb rigidity and strength. The choice of physiotherapists, and sporting professionals to treat distortions, dislocations, certain fractures and acute treatment of accidents and rehabilitation.

Manufactured using state of the art equipment, the very best quality material, and the highest

grade medical adhesive. Setting it apart from all other tapes, and this is why the feedback we get is so positive.
