

Steroform Neo

Neoprene compression supports

Providing firm and comfortable pressure/compression on muscles and joints.

- **Breathable** – reducing sweat formation
- **Helps relieve discomfort** – reducing chance of repeat injury
- **Highly flexible** – allowing for full range of movement
- **Increases blood circulation** – for faster recovery from injury
- **High quality neoprene** – lightweight
- **Neoprene is excellent at retaining warmth** - aid flexibility
- **Easy to apply** - compression fit is ideal for stiff joints
- **Reduces swelling** - of affected area
