

# Steropore

## Hypoallergenic adhesive

NHS  
Approved

The most flexible adhesive wound dressing on the market.

These large sterile dressings have the benefit of a **hypoallergenic adhesive**, that has excellent adhesion, making it perfect for dressing parts of the body prone to continuous movement (e.g. joints).

Hypoallergenic  
Adhesive

Available in 4 sizes

Ref 6806

Used throughout NHS hospitals following all types of surgical procedures, they are ideal because they're so flexible.

Their skin-sensitive adhesive makes them the number one choice for a child's sensitive skin, and are highly recommended for use in schools, nurseries and by childminders.

Description	Size	Pack	Ref
