

## Certificate of responsible sourcing

This certificate is to certify that:

**Steroplast  
Unit 2,  
Alpha Point,  
Bradnor Road,  
Manchester,  
M22 4TE**

have minimised their carbon footprint in the year ending April 2024 by sourcing packaging paper that is:

- FSC Accredited
- 100% recycled
- 100% biodegradable
- Produced locally at Kemsley paper mill in Kent
- Processed by machines designed, manufactured, serviced and maintained by Protega in Andover UK

A background image showing a pair of hands cupped together, holding a small amount of dark soil. The scene is set against a soft-focus background of green trees and foliage, suggesting a natural, sustainable environment.
